*Education holds a blessing available to all,  
An honest quest for learning that can make great men of  
small.  
While ignorance prevailing is for man a looming bane,  
Knowledge from education is the balm and cure for pain.  
Yet one with no desire for an educated mind  
Will peace and understanding with his brother never find.  
While he who thirsts for knowledge, and strives it to at-  
tain,  
Takes a step toward family harmony and a step away from  
strain.  
A better individual, he is then prepared to be,  
An asset to his nation, and the guard of liberty.  
For is not the greatest country, in reality as strong  
As its educated people, seeking right and shunning wrong?  
And if education promises a better, fairer land,  
Can it not relieve the world at large from rule by iron  
hand?  
Universal brotherhood can not be easily bought,  
It lies, however, down the road of educated thought.*

Many capable administrators are responsible for the efficient functioning of Jonathan Dayton Regional High School. Outside of Dayton's halls, Dr. Warren M. Davis, Superintendent of Schools, deals with the administrative matters of all three Regional schools. He is assisted by Mr. Lewis Fredericks and by Dr. Randolph T. Jacobsen, past Principal of Dayton, who was appointed to the new position of Assistant Superintendent of Schools last year. Mrs. Helen R. Smith is Secretary of the Board of Education, that body which has so much to do with the operation of the Regional schools.

The administration of the Dayton schools itself is in the hands of Mr. Robert F. LaVanture, Principal, and the Assistant Principal, Miss Anne Romano.

Specialized education and the reading improvement courses make up our Special Services Department. Through the efforts of this department many of our students are given the opportunity to remain in school successfully.

All of us realize the importance of reading and comprehending what is read. The Special Services Department offers courses in developmental and accelerated reading. These courses are designed to help the student improve his comprehension and increase his reading speed. Many of the students have taken advantage of these courses and all of them agree that they are beneficial.

Mmmmmmm?

Sure I can draw in thin air!

# AND VALUABLE GUIDANCE

CHARLOTTE SINGER  
DIRECTOR OF GUIDANCE

The Guidance Department is concerned with the scholastic welfare of the student. Our guidance Counselors are working constantly arranging and rearranging schedules, offering advice on matters pertaining to college, and filling out college applications.

They work with the students, advising them on future careers, helping them choose which subjects would be most beneficial to their careers, and finally, showing them the way to achieve their goals through college or other further schooling, business, trade school, or the armed forces. Many of us will be indebted to our Guidance Department for helping us find the way to a successful future.

Don Inamorato and Doug Pierson make use of Guidance office facilities.

# ENGLISH IS MORE

"Moby who???"

"You've been a bad, bad, boy."

The English language, its grammar and literature, is perhaps one of the most important aspects of our educational system.

The average student, by the time he has reached the Senior level, should have acquired a solid background in American and English literature. He should also be well-informed of the correct grammatical usage of his native tongue and have developed an extensive vocabulary. He has, on numerous occasions, been given the opportunity to state his own opinions in the forms of book reviews, essays, and compositions. He has read *Tale of Two Cities* and *Moby Dick*; *Merchant of Venice* and *The Canterbury Tales*. He has become acquainted with the writing styles of Edward Gibbon, Francis Bacon, T.S. Eliot, William Cullen Bryant, and the greatest of them all, William Shakespeare. He should be able to discuss, with some degree of intelligence, Existentialism, Transcendentalism, and Romanticism.

"And now for a rousing chorus of 'Home on the Range'."

# MATH AND SCIENCE PREPARI

"Expanding" is the key word for the math department. This year saw the introduction of a new geometry course for the School Mathematics Study Group (better known as SMSG) and the extension of Mathematical Analysis to a full year course. The SMSG course is now standard in its replacement of Algebra 1, and it is hoped that the new methods will lead to a more enriching and challenging geometry course.

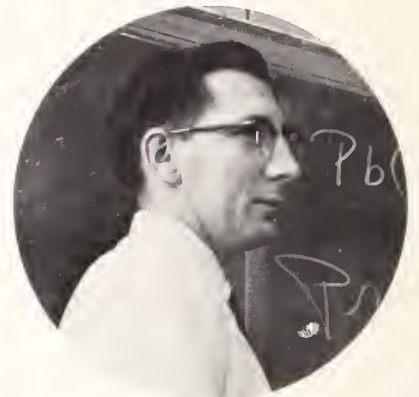

Students who have taken or are taking Trigonometry and Algebra 3 are eligible to take Math Analysis. Many chose to take only the first semester, but all study interesting aspects of math which would be impossible to touch or cover in depth in any other math subject. From algebra to geometry to calculus, the math department of Dayton Regional is ever improving.

"This'll be a quickie!"

When it comes to science, Dayton Regional is renowned for having one of the outstanding departments in the state. The most recent innovation in our science department is the replacement of the traditional chemistry course by the newer course, Chem Study. Instead of an emphasis on facts and formulas, Chem Study places a stress on reasoning; open-book tests are standard. Physics is also taught by the more modern P.S.S.C. standards. Knowledge of some formulas is still necessary, but the ability to use basic principles is stressed. Outside interest in science is encouraged by all members of the department. Science projects are required and many students enter the Union County Science Fair. With a background extending from earth-space science to advanced courses in biology, chemistry, and physics, it is no surprise that students of Dayton Regional dominate the fair.

*STANDING:* D. Carl, A. Gonnella, P. Scocca, R. Yanchus, G. Sachsels, E. Jasinski, D. Fox, P. Karish. *SEATED:* S. Pantini D. Botwinick. *MISSING:* J. Cusumano, C. Mason.

PAULINE KEITH, D.C.

Events have been occurring ever since the cave man drew his first scribble on the wall of a cave or uttered a cry of distress. It is the aim of the Social Studies Department to convey the importance of these events to students so they can learn from past experience of others. The department is divided into various sections: United States History, Modern European History, World History, Psychology and Sociology. This year, for the first time at Regional, team teaching was experimented with in teaching U.S. History.

In each course, events are brought to life and the student views them not as a jumble of dates and places, but as a living heritage and an historical study of society and life.

In our modern society, it has become more and more important to unite the peoples of the world by establishing common beliefs, interests, and motivations. Perhaps the key to this action is simply understanding and speaking a foreign tongue and becoming well-acquainted with the area in which it is spoken and its inhabitants.

The Language Department of Regional provides not only instruction as to the usage and grammar of Latin, Spanish, French and German, but, also, introduces us to the people of the land, their customs, culture, and their civilization, past and present. Films, records, magazines, newspapers, and other audio-visual aids are available to the student. The most valuable asset to the language department, however, is the language laboratory. Here, the student has the opportunity to improve his accent and to develop and cultivate the language for conversational purposes. The student is also encouraged to join one of many language clubs; French Club, German Club, El Circulo Espanol, and Romani Hodierni.

The fine arts, represented at Regional by the Art, Music, and Dramatics Departments, promote cultural appreciation in our school. These Departments collaborate in such productions as the annual operetta, concerts, and plays.

This year the Music Department boasts a new instrumental music teacher, Mr. Lynn Blecker, and a new major subject, Music Theory, taught by Mr. William Peters. The students of Regional have the opportunity to participate in any of the five vocal groups as well as the Concert and Dance Bands.

The Art Department offers courses ranging from Crafts I to Advanced Art and provides interesting displays of the work of students in the showcases in the halls. This year the Art Workshop made the costumes for the Senior Play as well as the scenery for the other school productions.

The Dramatics Department offers many courses including two levels of Speech and Dramatics and advanced classes in both dramatics and public speaking.

# SPECIAL COURSES PREPAR

ADAM LaSOTA

PETER DANILLO

The Agriculture or "Ag" program as it is known to Dayton students, under the able leadership of Mr. Peter Danilo and Mr. Adam LaSota, strives to prepare and train the students for futures on the farm. Not only do the boys learn various farm working procedures, but they also learn the essentials of successful farm management. The "Ag" program is unique also, in that it is the only one of its kind in Union, Essex, and Morris countries.

The teachers in the Business Department function in developing in each student those skills which will aide him in obtaining employment in the field of work that most appeals to him. For the benefit of Juniors and Seniors, speakers, from various business organizations are invited to the school to convey the merits and types of their businesses to interested students.

The Distributive Education program is unique in that it offers students on-the-job training. Students attend classes for a half day, and in the afternoon they receive practical training and experience. These jobs are arranged for them so that the students will be paid as they are gaining their education. Those taking advantage of the course are well prepared to face the problems of a business career and to meet competition, and thus they are directed toward a more successful career.

"Just put in a safety pin and leave me alone."

In the past a young girl was taught the arts of cooking, sewing, and managing a home by her mother. Today it is the job of the school's Home Economics Department to teach girls these skills.

The aims of this department are to prepare our future wives and mothers to meet the problems of running a home successfully, and to interest some of them in Home Economics as a possible career.

The Industrial Arts courses given at Jonathan Dayton cover a wide variety of topics, not only giving the student a basic of the arts of working with wood or metal, but also mechanical drawing, printing, and the graphic arts. Skills that are conveyed to the students as part of these courses assist not only on the job, but also in the home, where a great deal of expense can be saved by the skilled worker in wood.

In accord with the recent drive toward physical fitness, the Dayton Physical Education and Health Program plays an important part in daily school life. Girls as well as boys receive a minimum of 40 minutes of daily exercise in various forms that will encourage them to stay physically fit. Throughout the year, boys enjoy such activities as the obstacle course, apparatus, and various sports in their respective seasons. For the girls there is tumbling, field hockey, archery, and many more.

The health program is given in four phases: the human anatomy, first aide and safety, Driver Education, and social problems. This program is unique in that it is one of the few that incorporates a Driver Education course as a part of Junior Health.

# SPECIAL PEOPLE CARE FOR US

BARBARA DIMMERS  
LIBRARIAN

RUTH MONTGOMERY  
SCHOOL NURSE

We at Jonathan Dayton owe much to the staffs of the library, cafeteria and Health Office and to the custodians. It is known that books are the educational backbone of our society, and we are fortunate in having a fine library to provide for our literary needs. Miss Barbara Dimmers, Librarian, devotes much time and effort to its service. The cafeteria staff with the guidance of Miss Margaret Maitland,

works throughout the year to provide us with nourishing lunches. An efficient Health Office is necessary to meet any emergencies that may arise. Our requirements in this area are met by our nurse, Mrs. Ruth Montgomery and her staff. We owe the fine appearance of Regional to the custodians who are under the direction of Mr. Edmund Frey.

## ALMA MATER

Here stands our high school, tried and true,  
Where hearts have been content,  
And through the years our hearts will cling  
To memories we've spent.  
O, hail, O, hail! Dear Regional High,  
A school like ours to cherish.  
On solid rock she's standing still,  
We know she'll never perish.

The tower stretching to the sky,  
The babbling brook beside it,  
We love the halls, thy campus green,  
How high they lift our spirit.  
O, hail! O, hail! Dear Regional High,  
We love and honor thee.  
United voices sing thy praise.  
With sad hearts now we leave thee.

# BULLDOGS FOUGHT IN

Soccermen pose for the camera.

Let's go, fellas!

This year the soccer team had the formidable task of building a top-notch team with only six returning lettermen. In spite of its poor seasonal record (2-10-3), the soccer team gained third place in the Watchung Conference by producing wins and ties in five key games. The booters just missed a second place tie in the Conference when they were held to a 2-2 tie with Hillside in the last game of the season.

Five senior soccermen, Karl Roetger, Paul Soos, Bart Theile, Richard Zegar and Lloyd Schaeffer played a fine season. The team had many juniors who did not letter, but played well. There were eight juniors who did letter who will be coming out again, giving the team strong hopes for an improved season next year.

Coach Palfi plans strategy.

ROW 1: L. Schaefer, S. Rosenthal, J. Karlin, B. Theile, S. Falkin, D. Dropkin, P. Soos. ROW 2: M. Kravetz, D. Macmillan, M. Muller, R. Zegar, A. Oertel, F. Reu, L. Budish. ROW 3: G. Franklin, H. Goldhammer, H. Jacobs, L. La Sota, S. Cohn, A. Kravetz, E. Eichenlaub. ROW 4: G. Shenach, R. Smolinski, V. DelVecchio, G. Williams, R. Mayer, V. Spina, K. Neigel. ROW 5: J. Palfi, J. Sachsels.

# SOCCER AND FOOTBALL

*ROW 1:* E. Erskine, R. Sarokin, R. Ries, D. Wuestman, C. Roll, M. Londino, D. Ronco, R. Bittle. *ROW 2:* R. Wittish, R. Loyns, J. Kulaga, J. Blythe, F. Haydu, T. Tonkin, P. Krowne, T. The football team began the season well, defeating G.L.R.H.S., but lost to Clark the following week. Inspired by the first pep rally the Bulldogs rose to upset Cranford, knocking them out of first place in the Watchung Conference. Again Dayton won an upset victory against Westfield, to ruin this team's chance for the Conference title. Both Richie Bittle, two-time All-County end, and "Cheech" Monticello, excelled on the field. The team was spurred by the first year quarterbacking of Robert Ries and the fine tackling of Alan Greenberg. Drew Wuestman sparked the backfield with some beautiful running plays.

We lost close games to Scotch Plains and Hillside, when the breaks went against us. In spite of these disappointments and the fact that we lacked a home field, we can be proud of the fine moments of this year's season.

*ROW 1:* K. Miniman, D. Fabrizio, F. Caruso, M. Gusevich, B. Colowell, A. Marshall, E. Liiv, M. Lester. *ROW 2:* K. Anderson, B. Burnett, D. Jayne, E. Chambers, G. Baskin, R. Handley, R. Hirth, D. ## BULLDOGS SCORE

Consultation needed . . .

Regional's basketball team, a hair's breath from having a winning season, sparked the year with such memorable victories as the West-field game.

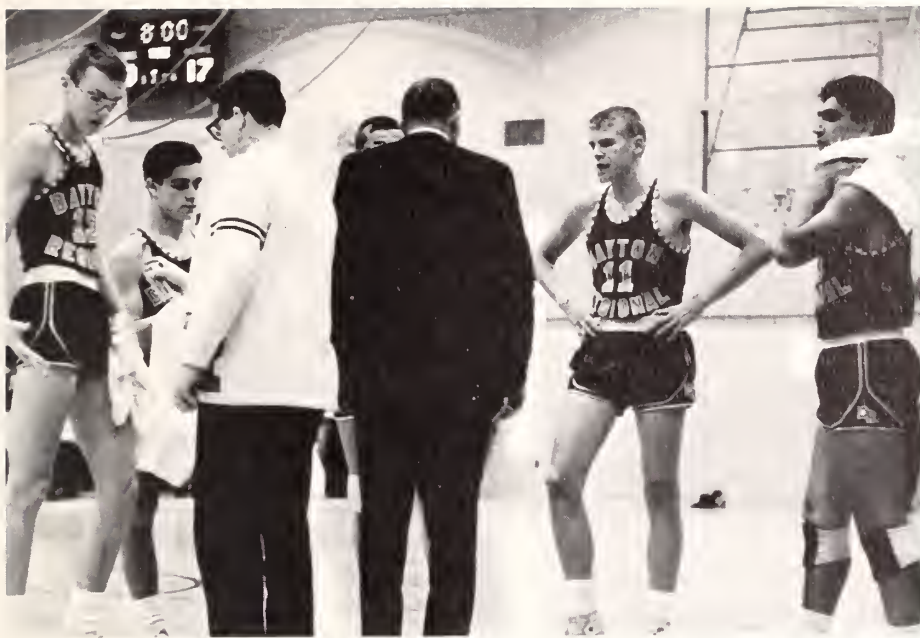

Big Bill Kretzer (6'7") scored second highest in the county, winning him top honors. His brother Mike showed amazing dribbling ability. "Cheech" Monticello's driving lay-ups and remarkably accurate set shots, and Bruce Ledig's fine decisive game are more reason for the success of the season.

The Bulldogs, fairing admirably in a rough Watchung Conference, made the State Tournament by hard work and clutch team playing.

"Cheech" moves in for defense.

Time Out.

"Hey, let go of my arm!"

The wrestling team, although beset by pre-season injuries acquitted itself well. In many weight classes, untested grapplers proved excellent wrestlers.

Last year's district champ, John Gardella stood undefeated until he fractured his nose. Jeff Karlin and Mark Muller also suffered injuries which posed problems for first year Varsity Coach Sachs. With such consistently successful scorers as heavyweight Rich Bittle, Dayton's grapplers ended the year with a winning 6-5-1 season.

## GIRLS' SPORTS

The girls in Regional are allotted their share of athletic opportunity. The G.A.A. sponsors various sports in their respective seasons which are open for participation to all girls in the school. In the fall, field hockey, soccer, and rec. games are offered. The early winter sports include volleyball and bowling, while later in the winter basketball and apparatus are held. The spring offers include archery, golf, and softball. The main objectives of this program include the development of leadership and sportsmanlike qualities, and a stimulation of interest in sports and school spirit.

Supplementary activities include county and state playdays, and also special tournaments which are held at various times throughout the year. Both state and school awards are available to those girls who have fulfilled the specified requirements.

The governing body of the G.A.A. is the Leader's Club. It's members are selected on the basis of leadership, scholarship, sportsmanship and interest in the program. The club's duties include managing and officiating the sports and all other jobs which are necessary for smooth running of the program.

Coach Palmer introduced the football team at the Student Council Dance.

One of the most vital student organizations at Dayton Regional is the Student Council, whose activities, range from encouraging scholastic achievement and school spirit to arranging school social events. The Student Council collects \$800 each year which it awards to deserving seniors in the form of scholarships.

Freshman Orientation Day and the Freshman Day Assembly is officiated by members of the Student Council. The Student Council also conducts the sale of winter jackets and blazers with our school crest on the pocket.

The social events the Student Council sponsors included the annual Student Council Dance, which took place this year on September 27, and, in response to popular demand, the Student Council Hootenanny, which was a rousing success.

The "Hootenanny" was a huge success.

# NATIONAL HONOR SOCIETY

*SEATED:* S. Berger, T. Burns, G. Del Corso, B. Porter, E. Fevola, C. Roll, R. Caponetti.  
*STANDING:* J. Kaverick, L. Kuehn, M. Chotiner, B. Gittes, B. Cannon, C. Devinsky.

Acceptance into the National Honor Society is the highest honor a student may receive at Dayton Regional. Members are selected on the basis of scholarship, service, leadership, and character. Induction is held in the fall and spring with seniors eligible at both inductions, and juniors eligible in the spring. The National Honor Society has a scholarship program, makes available information about WNDT-TV, provides the *NEW YORK TIMES* to the student body at a low cost, and sponsored the representation of Dayton Regional on the television program *IT'S ACADEMIC*.

Students of French II, III, and IV are honored with membership into the French National Honor Society if they have maintained an "A" average in French and a high average in all other subjects.

The Key Club International is primarily a service organization, which throughout the year is responsible for such activities as parking cars at "Back to School Night," providing guides for Night School, and raising funds for worthy causes. Part of the money raised by the Student Faculty Basketball game, the Slave For A Day Auction and the Car Wash goes toward a \$100 scholarship for a graduating senior.

The rest of the money goes to the Key Club's district project. Last year the Key Club contributed to the Jonas Salk Foundation, and this year will help support orphaned children.

The Key Club is associated with Kiwanis International. New members are elected to the Dayton chapter each year by the young men in the club.

Each year the illustrious (?) Dayton faculty pits itself against victory-bent seniors at the Key Club-sponsored Student-Faculty game.

Regional's vocal music department, under the direction of Mr. William D. Peters presents two regular concerts a year. In addition to these, the Choir and Chorale have appeared in other high schools in the area. The Chorale and Dayton-Aires presented Christmas programs at the Methodist Churches of both Springfield and Kenilworth, and sang at the Mall in Short Hills. Spring afforded the Chorale the opportunity to sing at Glassboro State College where they presented a sampling of their Spring Concert. Mr. Peters was welcomed back this year after taking a leave of absence for one year during which he furthered his studies.

The Jonathan Dayton Regional High School Band under the direction of Mr. Lynn Blecker, a new addition to our faculty, has performed admirably for its school. During the past football season, regardless of its size, the band showed its adaptability in its half time shows. Different routines and drills were presented at each game. The marching ability and overall sound of the Band has greatly improved. Several of our Band members were selected for the Central Jersey All-State Bands. The concert on May 15, provided a stimulating musical evening for all who attended. Overall, the band has progressed greatly, and will continue to progress in the years to come, thanks to the efforts of Mr. Blecker and the Instrumental Music Department.

# NATIONAL THESPIAN SOCIETY

*SEATED:* P. Blafer, A. Gash, L. Hammer, C. Devinsky, N. Lester, L. Braun, S. Nowinski.  
*STANDING:* E. Gersten, B. Gittes, I. Pancani, I. Baroff, M. Marzell, K. Simon, H. Zucker, S. Hendlin, J. Emmert, J. Zeszotarski.

The National Thespian Society is a national honor society whose goal is to promote an interest in dramatics. Dayton Regional's chapter of the National Thespian Society forms the core of the Troubadors. All of the officers of the latter are also members of the Thespian Society.

The Troubadors, better known as the Dramatics Club, is designed to promote interest in dramatics. The club's meetings are held as workshops in which the members alternately practice performances and give them for the enjoyment of the rest of the club. The Troubadors work is reflected by an assembly which they produce at the end of the year.

The Pep Club has the responsibility of promoting school spirit at Regional. Among its activities are making posters supporting the various athletic teams, and supplying the student body with paper badges to help "root" the Bulldogs on. These "peppy" girls have done much to improve Dayton's school spirit.
